

LIFESAVERS FUND APPEAL

THE Ithaca Bulcock Beach Royal Lifesaving Club traditionally hold their Annual Door Knock on Easter Saturday and this year will be no different.

The club, which patrols the increasingly popular Bulcock and Golden Beaches, has less than 20 patrolling members with fewer

than 10 in attendance each weekend during the September to April season.

At times they are called upon to also patrol the Caloundra Bar and in emergencies at Happy Valley.

The Door Knock is the club's major fund raiser each year and helps with the cost of

providing volunteers services of up to eight rescues and 20 first aid treatments each weekend.

The club has plans for a permanent full time patrol for Golden Beach for the 1993-94 season and community support will help make this endeavour a success.

The club needs volunteers to assist them in the Door Knock and you

can register at the clubhouse on the Boardwalk at Bulcock Beach from 8.30 am on April 10.

For further information contact the club's publicity officer John Rayner on 91-4149.

There will be refreshments available during the day followed by an evening barbecue for members and collectors.

Quota Club starts year with dinner

The Caloundra Quota Club commenced the new year with a dinner meeting which was the official visit by Quota District Governor Joan Young and Caloundra's own member and District Lt Governor Sally Sands.

A successful international buffet was held at Tivoli's Restaurant in early March.

Members and guests thoroughly enjoyed the food from around the world presented by Tivoli's chef, Richard Livingstone.

The annual changeover dinner will be held on April 18 at Ainlee House.

Members are looking for-

ward to the food and hospitality they have become used to at Ainlee House.

Guests are welcome to join us at noon. Cost \$17.50 per head.

The combined Sunshine Coast Quota Club's Annual Bookfest will be held from tomorrow to Sunday at the Wharf, Mooloolaba.

Second hand books, magazines, tapes and records will be sold at prices from only 20c. Proceeds will go towards the Renal Dialysis Unit at the Nambour Hospital.

For further information on any of the above events or membership enquiries phone Margaret on 91 1376.

THE Golden Beach Progress Association has presented Ithaca-Bulcock Beach Life Saving Club with a \$500 cheque in support of a lifeguard tower and patrol at Fraser Park near Gemini Towers.

Association president Bob Horne presented Ithaca club representative John Rayner with the cheque at the Association's January meeting.

Mr Rayner told the meeting that the proposed tower had received good support.

He said the association's donation would probably be used to purchase a waterproof, voice-activated radio for use by lifesavers on

THE

Obse

If you have information suitable forwarded to P.O. Box 874, Beach. Adequate time should be allowed for upcoming events is possible

patrol at the tower. The Association's next meeting will be on Thursday, February 18 at the Indoor Bowls Hall in Burke Street, starting at 7.30 pm.
