

# A new coat for summer

Surf season with a fresh lick of paint

“These will allow the clubhouse to be maintained at a decent standard

— Gary Smith

KICKING off the first weekend of patrolling Bulcock Beach, Ithaca Caloundra City Life Saving Club had a message of thanks after receiving crucial supplies.

Bunnings, Dulux, and Cabot donated painting equipment, paint, and stains for the club to use for its clubhouse.

Club maintenance officer Gary Smith said the donation of materials from the three organisations was very kind.

“These will allow the clubhouse to be maintained at a decent standard and provide a better environment for the club members who give freely of their time over the summer to serve and protect the Caloundra community,” Mr Smith said.

BRUSHING UP: Ithaca Caloundra City Life Saving Club members prepare to use the donations.

## Support businesses to win big

WOULD you like to win a \$500 Golden Voucher to spend on a Caloundra shopping spree? Simply spend \$5 or more at any participating business before November 7 to enter the draw.

This competition is the latest initiative by Sunshine Coast Council and the Caloundra Chamber of Commerce to encourage support of Caloundra businesses during the council's Bulcock St streetscape upgrade.

Division 2 Councillor Tim Dwyer urged the community to help support local businesses during construction.

“The streetscape upgrade is an investment that will create a vibrant new look for Bulcock St and transform the Caloundra CBD,” Cr Dwyer said.

“It will enhance the look and experience of the area, improve safety and access, and provide a new drawcard which maintains and builds a sustainable economy for Caloundra,” he said.

For all the details visit [www.shopcaloundra.com.au](http://www.shopcaloundra.com.au). The Golden Voucher can be used at participating Shop Caloundra businesses between November 9 and January 31.
