PATROLLING:

This season the club patrolled Bulcock Beach, Caloundra, every weekend with the exception of one, from 20 September 1992 to 11 April 1993 (20 September 1991 to 26 April 1992: last season). Patrols were conducted from at least 10.00am to 4.00pm each day. Christmas/New Year and Easter Periods were patrolled.

The club conducted official patrols over most weekends. On other days, due to bad weather and/or lack of people on the beach or lack of members no official patrols were undertaken. However, a watch was kept on the beach from the clubhouse and a number of patrolling walks and boat surveillances were carried out. A total of 62 days (73 days of 363.25 hours for 1991/92) of 366 hours in attendance at our beach.

The records of the two boats' operations were totalled at 141½ hours over 61 separate days as compared to 15 hours and over 7 days last season.

Radio communication continued to improve with regular contact with Surf Rescue and Coast Guard.

Incidents for the season were as follows:
