

ITHACA-CALOUNDRA CITY

LIFE SAVING CLUB INC.

ABN 69 400 598 562

2013/2014 SEASON ANNUAL REPORT

PO Box 1648
(29 The Esplanade, Bulcock Beach)
Caloundra Qld 4551
email: admin@caloundracity.asn.au
www.caloundracity.asn.au
Telephone: 04 33 771 432 (Captain)
Facsimile: 07 3491 9994

Founded: 11.2.1954
Incorporated: 10.7.1986

Affiliated with Royal Life Saving Society Queensland Incorporated

The Club has completed its sixtieth season.

MISSION STATEMENT

To achieve the highest level in the delivery of Aquatic Safety, Rescue and Emergency Care with the support of volunteer members within a family based environment.

ANNUAL REPORT

The Club is a professional Life Saving organisation and has three main activities, which are:-

- Maintaining Beach Patrols on Bulcock Beach, Caloundra,
- Training and development of Members and the Public in Life Saving techniques, and
- Increase Participation & Volunteering.

The present Clubhouse was constructed in 1989 and is located adjacent to Bulcock Beach, at the western end of the beach. The Clubhouse is constructed on stumps/piles with half the Clubhouse elevated above the beach.

Equipment of the Club is modern and contains all the necessary items of Life Saving Club equipment.

The main rescue equipment being the Inflatable Rescue Boats (IRB), paddle boards and first aid equipment.

The Club maintains Beach Patrols during weekends and public holidays over the summer months of the year (September through to May).

Membership of the Club is open for application to any member of the public willing to assist the Club in whatever manner they are able (to help the Club achieve its mission) and the bulk of membership is people aged 7 to 70 years.

Paula Koda's (President) speech to the 60th Celebration Dinner

A very warm welcome to you. Thank you for your attendance this evening as we come together to celebrate our 60th Anniversary and the end of another successful patrolling season.

Over the last ten years there has been some wonderful growth in the club. I am sure that those of you here tonight who visited the club earlier in the day have seen some great improvements in the equipment in the clubhouse.

I am often asked how a Civil Celebrant became President of this great club. A natural progression I guess, even though I am not a patrolling member, my youngest daughter Gemma has now completed the Junior Lifeguard programme, after waiting two years to be old enough to join the program. She is a very excited rookie now, and is looking forward to next season. I am very happy to support such a worthwhile community program, especially because it is such a family orientated club, and on my favourite beach. I am very passionate about Caloundra, and as my other half may well need rescuing one day when he windsurfs out on the Caloundra bar, I am happy to 'pay it forward' as they say!

The Club's Mission Statement:- 'To achieve the highest level in the delivery of Aquatic Safety, Rescue and Emergency Care, with the support of volunteer members within a family based environment', I know resonates with many of us who are involved with the club. I strongly believe that it is vital that our young people learn the importance of service to the community, and they learn best, from watching their parents and having fun activities with learning outcomes.

The club's three main activities, of Maintaining Beach Patrols, of Training & Development of Members and the Public in Life Saving techniques, and to Increase Participation & Volunteering, have the unique ability to engage and embrace all sectors of our community regardless of age.

Some of you were at one time active in the club and tonight we hope that you may consider renewing your connection once again in the new season.

The locals here tonight I am sure will have observed how popular Bulcock Beach has become over recent years, with the average number of visitors more than tripling. Visitors to Bulcock Beach numbered almost 65,000 this season up from almost 18,000 in the 2010/2011 year.

Since we last gathered to celebrate the 50th Anniversary we certainly have achieved some strong growth and have met all the goals of the club. We now have an almost equal membership between males and females; this season's membership was up again to 123 with 32 patrolling members. 35% of our membership is part of the Junior Lifeguard program with 10 rookies and 14 cadets, so we are excited to see the future of the club's patrolling members represented so strongly for such a small club.

This season we had 175 rescues; an increase from the previous 2 years, almost 700 preventative actions, and 99 First Aid cases. The club successfully patrolled the beach for 72 days, totaling a huge 678 hours: this equates to a total of 6,346 hours from our volunteer patrolling members.

Since the Junior Lifeguard program began in 2002 Lynda Barry as Club Captain, and Paul Barry as Instructor, ably assisted by Will and Henry, have done a marvelous job at organizing and overseeing the growth of the program. And, with Paul as the Treasurer, the club is in a strong financial position.

The club is very active within our community by running free community courses like the Grey Medallion course that aims to teach participants how to act in an aquatic emergency. Over the last three to four years the numbers in the courses have been growing, and they have been provided to local groups including: Freemasons, Lions, Rotary, the Sewing Club, and the Navy Cadets. They have been well attended with 30-50 participants in each group. This is an amazing number of people that have received free training in emergency care. Recently a 74 year old man from Golden Beach had a suspected heart attack while surfing at a nearby beach. Sadly he was not able to be resuscitated, however Rod Hall, who was one of the first on the scene, said the skills gained in this course were found to be of great benefit. He later contacted the club to offer his gratitude and thanks for the training he had recently received, and he wanted us to know that he gained the confidence and skills to render assistance to the gentleman while waiting the ten minutes for the Ambulance officers to arrive.

For Community Groups – for over three years we have the Introduction to Defibrillation, and Introduction to CPR, in addition to Operational First Aid, Patrol Bronze Star and Patrol Bronze Medallion. From next season, the Club plans to expand its training to provide professional workplace training in First Aid and Resuscitation to further support the local community, and we are launching a website called 'Sunshine Coast First Aid' to support these training services.

Tonight is about acknowledging the incredible support the club has and to offer thanks to all those from our community who kindly step up and show their support. Tonight we want to sincerely thank our Patron, State Member of Parliament for Caloundra, and Minister for Energy & Water Supply, the Honorable Mark McArdle. And our Vice Patrons: Minister of the Australian Parliament for the Fisher electorate, the Honorable Mal Brough; and Sunshine Coast Regional Council, Councillor Tim Dwyer, and Mrs Judy McArdle. Your long time support of our small club in these roles is both valued and appreciated.

There have been a number of people who have served before me as the President of this Club and served on the Management Committee. They have all served the club well, and they have given so much of their time and energy. It is thanks to all their efforts that the club enjoys a rich history and a positive future.

This year has been another growth year for the club, for example, we saw the introduction of new Induction Training sessions before the commencement of the season and some efforts have been made to make Paul and Lynda's loads a little lighter. Next season, as the club continues to grow, I am sure we will continue to try to share the many administrative, training and patrolling responsibilities required.

The club has applied for, and received, several grants that have allowed for the purchase of some state of the art equipment that you saw today at the showcase, so our thanks go to:-

- . Qld State Government, Department of Community Safety, and the Sunshine Coast Regional Council
- . Our Sponsors Channel 7 and Vici Swimwear for the Club's patrol uniforms
- . Energex - who sponsored us to buy equipment that allow us to run our free community courses
- . McClelland & Associates, Public Accountants - who have kindly sponsored the 60th Anniversary book
- . Council of the Ageing - who supports our free Grey Medallion course. This year COTA and Caloundra RSL are partnering with us on that course
- . BreakFree Grand Pacific who support the club with the use of this lovely room for tonight and the running of the Grey Medallion courses
- . Kentz Corporation - provides uniforms for our competitors at World Championships.

In addition to the generous donors who have either donated online or made some lovely deposits in our little red tin on the beach each weekend. We will be drawing our raffle tonight, the first one the club has had for some years, and the community support from some of our small local businesses has been wonderful. I want to thank The Edge Café, Tides, 4551 cafe, Coles, Baskin Robins, Subway, and Rumba Resort, so if you have not yet got your raffle tickets, I believe they are still available.

I also want to acknowledge and to thank Paul Seto and Jim McClelland, the writers of the 60th anniversary book, for the many hundreds of hours of effort in researching and compiling the mammoth amount of information so it could be finally be officially launched tonight - a true and accurate record of the rich history of the club is now preserved. A sincere thank you.

In closing I want to remind you to please write in our comments book and share a memory and ensure you sign the attendance book as well please. I look forward to chatting with you tonight over a cocktail or two and hearing some of your stories, make sure you meet our younger members and share your history with them.

CLUB CAPTAINS REPORT

The season has been an important season for the Club, having completed its 60th year.

Beach Patrols at Bulcock Beach were performed for every weekend to a high standard and I am pleased that members have continued to act extremely professional this season. Members of the Club even attended to our neighbouring club (Met Cal SLSC) on two occasions to assist with patrols when they were running short. This has returned the favour, with Met Cal SLSC having done the same for us over the years.

Two members of the Club attended the Royal Life Saving Australian Pool Life Saving Championships in January 2014, at The Australian Institute of Sport, Canberra.

Unfortunately they did not win any medals, however Paul Barry did come close with a fourth in the Line Throw and Tony Barry second overall in the Over 60 age Group. Jeannie Baxter-Reid was coach for the Qld team, which came second.

Paul Barry also travelled to China, Hong Kong and Macau this season to assist conduct a Teacher of Life Saving course on behalf of the Society.

A group of members participated in a Teacher Of Life Saving Course whilst on a Cruise in June 2013. This enables the club to have more trainers and assessors.

It was great to see so many people at the Club's 60th Anniversary Open Day and Cocktail Function, both past members and current members.

We are looking forward to the next season of keeping the Caloundra community safe at Bulcock Beach.

Lynda Barry, Club Captain

Club members – April 2014

AWARDS

All available awards of The Royal Life Saving Society - Australia are listed, with Club awards gained shown.

	2013/14	2012/13	2011/12

PATROLLING

This season the Club patrolled Bulcock Beach, Caloundra, weekends from 21 September 2013 to 27 April 2014 (22 Sept 2012 to 5 May 2013 last season).

The Club conducted official patrols over patrol weekends and all public holidays.

Summary of Patrol:

	2013/14	2012/13	2011/12	2010/11
Number of Patrol days	72	73	76	74
Total Patrol hours	678	671.5	714.25	697.25
Average hours of Patrol each day	9.4	9.25	9.39	9.42
Average person number on Patrol each day	9.4	10.7	8.7	7.32
Average rescue per Patrol day	2.43	1.65	1.6	1.03
Total volunteer hours provided	678	671.5	714.25	697.25
Estimated attendance -beach	39,239	33,270	25,368	10,615
-water	25,691	24,064	16,368	7,300

Patrols are overseen by:-

- ☐ Club officials (Regular unannounced inspections carried out)
- ☐ The Royal Life Saving Society (members of the Combined Clubs Committee)
- ☐ Surf Life Saving (SLSA Duty Officers visit the Club regularly and provide guidance and advice).

PATROLLING

Sunshine Coast Regional Council has a high involvement in the operations of the Club. Club officials have met with Council Officers on a number of occasions regarding beach issues, and the Club holds a Patrol Service Agreement with Council.

The Council life guard service on occasions visit the Club and provide feedback and advise regarding patrol activities. Council Beach Life Guards utilise the Club facilities and equipment for weekday beach patrols. Since October 2012, Sunshine Coast Regional Council have contracted (outsourced) their Lifeguard Service to Surf Life Saving Qld, who now performs the weekday lifeguard service.

The aforementioned groups above ensure the quality of patrols is maintained to the highest standard. Every patrol has an allocated Patrol Captain who must be qualified for control of all of the patrol functions (i.e.: IRB, Radio, First Aid, etc)

Every member, while on patrol, must wear the Club patrol uniform, which consists of red shorts, yellow shirt (with the words 'Beach Patrol') and a quartered red and yellow skull cap.

Incidents for the season were as follows:

	2013/14	2012/13	2011/12	2010/11
First Aid	99	140	90	59
Rescues	70	33	31	15
Preventative Action	699	747	460	193
Local Laws Advise	178	138	58	
IRB - Rescues	105	87	92	63

All First aid cases are continued to be treated in the first aid room, unless the patient is located away from the Clubhouse, in which case they are treated at the scene.

Local Laws advisory – the Club now record incidents where advice is given to the public in respect to local law matters including:

- ☐ Dogs within the bathing reserve
- ☐ Fishing within the bathing reserve
- ☐ Smoking between the flags, and Other matters

JUNIOR LIFEGUARD PROGRAM

The Club commenced its Junior Life Guard Program (similar to Nippers) in 2002 and continued it again this season. The Program is a fun environment where games and competitions are used to teach the children:-

- Water Safety,
- Basic Rescue Techniques,
- Safe Swimming Habits,
- Basic Resuscitation, and
- Team work & responsibility

The program is conducted by members of the Club and all sessions (and children) are logged and tracked. Children progress through an introductory period of basic water safety; and will then progress through the 'Swim & Survive' (*Love 2 Swim*) series of awards. This progression would be expected to take between 1 and 4 years depending of the child's age and abilities. After the Swim & Survive awards, Junior Lifeguards are named as Cadet Lifeguards, and they aim for the 'Bronze Star' award, which is a rescue award similar to the Bronze Medallion. The target age for Bronze Star is 12 years old, and once Junior Lifeguards obtain their Bronze Star, they can assist with beach patrol duties.

As the program develops, new strands have been added, to cater for the changing demographics of membership. In the 2007/08 season a Rookie Strand was added to the program, which includes members from 13/14 to 16 years.

Strands

Junior Aged 6 to 11 years old. Swim and Survive Series.

Cadet Aged 11 to 12 years old. Bronze Star award.

Rookie Aged 13/14 to 16 years old. They are encouraged to complete the Bronze Medallion in the year they turn 14. Once members complete their Bronze Medallion they are able to assist beach patrols as a qualified member.

The Junior Lifeguard Program conducts two training sessions each week:-

- Sunday morning at 8.00am (2 x 1 hour session) on Bulcock Beach

Junior Lifeguard Member's

Year	Junior	Cadet	Rookie	Total	% Increase
2002/3	20	Not/Applic.	Not Applicable	20	
2003/4	25	Not/Applic.	Not Applicable	25	25%

FOUNDATION

On 1 December 1992 the Club agreed to the formation of a FOUNDATION, with the following eleven goals and conditions:

1. The aim of the Foundation is the creation of a capital fund capable of generating an annual income, part of which will be used to maintain the operation of the patrolling activities of the Club.
2. The principle to be developed by the generation of funds from sources such as legacies, bequests, donations, and fundraising activities specifically designated for the purpose and transfers as approved by the Management Committee from the Club's general funds and/or fundraising activities.
3. A principle amount of \$100,000 be the initial goal.
4. Annual distribution be restricted to a maximum of 50% of the annual income generated by the Foundation.
5. Decisions on the distribution to be made by the Management Committee.
6. The signatures for the Foundation accounts be the usual Club signatories.
7. The bank books and investment receipts remain in the custody of the Club's Honorary Treasurer.
8. All expenses directly attributable to the Foundation be paid out of the Foundation.
9. All donations/bequests to the Foundation be acknowledged in the Club's Annual Report.
10. The Foundation's funds to be available to the Club general account on a loan basis, only in times of extreme financial hardship and with the approval of the Club's Management Committee.
11. These Foundation conditions to form part of the Club's By-Laws, and as such, can only be altered or repealed as per Rule 2\5 of the Club's Rules (Constitution).

On 13 May 1993 the Club started the Foundation with \$10,000 and continued with further investments.

ROYAL LIFE SAVING MARINE RESCUE (RLMR)

The Club purchased an aluminium boat, which was launched in September 2008, primarily for use in the Caloundra passage area. The purpose of this boat is to be a water safety boat, and assist with rescue's and preventative actions.

Due to our unique situation, many rescues the Club performs, involve water craft our Inflatable Rescue Boat whilst able to assist, are not suitable for rescue. A larger rigid hull boat would better site such situations. Funds towards the purchase were raised by members.

It is also noted that SLSA no longer operate a Jet Boat from Maroochydore, which previously covered the southern end of the Sunshine Coast.

An aluminium boat is particularly suitable for day long surveillance, monitoring and towing light craft such as jet skis and small boats; both of which an IRB is not suitable.

It is appropriate to point out that the boat does not overlap with Coast Guard functions, which are more aligned to larger yachts and pleasure craft.

As the Club is accredited with DES, the boat complies with Part 5, Div 3 of the Maritime Safety Qld Licensing legislation, in that Skippers are required (as a minimum) to hold a recreational marine drivers licence (as is the case with IRBs), and Society certification for the boat.

All boat crew and skippers must complete additional training (in addition to holding a recreational marine drivers licence). Such training is a modular based program.

ASSISTANCE TO A NEW CLUB

AIRLIE BEACH WHITSUNDAY LIFE SAVING CLUB INC

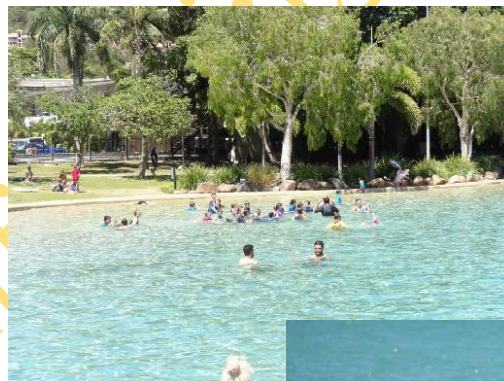

During the winter of 2013, Club officers and members provided considerable assistance to the creation of a new Club at Airlie Beach, North Queensland.

Our Club donated an Inflatable rescue Boat (IRB) and other patrol equipment, along with donations of paddle boards and other equipment from our sister club: Neptune Life Saving Club. This has given the new club sufficient equipment to conduct beach patrols at Boathaven Beach, which has a stinger net.

Club members visited the new club in early November 2013 and completed training with Junior and Senior members of the club, and certified their qualifications.

The new club now patrols Boathaven Beach and conducts Junior Lifeguard training in the man-made lagoon, and at Boathaven Beach.

It is pleasing to see a new club created in the Airlie Beach region, which is not only an important tourist destination for Queensland but is also well known overseas.
