OUR VISION

Serving the community to help reduce drowning

MISSION STATEMENT

To achieve the highest level in the delivery of Aquatic Safety, Rescue and Emergency Care with the support of volunteer members within a family based environment.

MOTTO OF THE ROYAL LIFE SAVING SOCIETY

Whomsoever you see in distress, recognise in them a fellow human being

ANNUAL REPORT

The Club is a professional Life Saving organisation and has three main activities, which are:-

- Maintaining Beach Patrols on Bulcock Beach, Caloundra;
- Training and development of Members and the Public in Life Saving techniques; and
- Increase Participation & Volunteering.

The present Clubhouse was constructed in 1989 and is located adjacent to Bulcock Beach, at the western end of the beach. The Clubhouse is constructed on stumps/piles with half the Clubhouse elevated above the beach.

Equipment of the Club is modern and contains all the necessary items of Life Saving Club equipment.

The main rescue equipment is the Inflatable Rescue Boats (IRB), rescue/paddle boards, rescue tubes and first aid equipment.

The Club maintains Beach Patrols during weekends and public holidays over the summer months of the year (September through to May).

Membership of the Club is open for application to any member of the public willing to assist the Club in whatever manner they are able to help the Club achieve its mission. The bulk of memberships are people aged 7 to 80 years.

CLUB CAPTAIN'S REPORT

It's been a very different season! No-one could predict that our whole operations would be turned on their head, like every other organisation in the world, with the impact of the COVID-19 pandemic. This saw some great changes to the way we operated and the way that we will operate in the future.

That being said, I am pleased to advise that all of our patrol requirements were again fulfilled for the season. The season was extremely busy, with quite a few new members joining our ranks.

The warm weather saw an influx of stone fish injuries this season, even one on Christmas Day! Thanks to all of our training, the patients were all treated appropriately.

The below is a quick snapshot from our statistics:

Total Patrol Days	74
Total Patrol Hours	730
Preventative Actions	402
Local Laws	65
First Aid Cases	76
Missing Persons	6
Beach Population	50,689
Water Population	31,636
Rescues	26

Our total beach population increased from last season, however our first aid cases and rescues were down.

The patrol hours for the full season was 4,194 which is a fantastic effort for such a small club, especially in the changing environment.

Prior to the COVID-19 pandemic changing our operations, the club continued to deliver community education in the form of CPR talks with groups, a school excursion, and even a special ANZAC ceremony on Bulcock Beach.

In July and August 2019, two Grey Medallion courses were delivered with great feedback received (as always). We must thank our volunteers, presenters and sponsors – Accountants United, Breakfree Resorts and COTA.

This year (2020-during the 2020-2021 season), again due to the pandemic, it will be very different. Unfortunately we could not get funding from COTA, and our course will be smaller due to social distancing, however we are still able to offer one course to 24 participants (which is full) with special thanks to sponsor Accountants United and Breakfree Resorts.

CLUB CAPTAIN'S REPORT

Again we must thank our tireless maintenance members who continue to do odd jobs, spruce up the clubhouse and repair equipment etc. This is such a bonus for our little club.

Our club was on the forefront with the COVID-19 pandemic, with limiting club members on patrol, heightened cleaning, social distancing, and cancellation of training and junior activities. Unfortunately our Junior Lifeguard Carnival was cancelled for the season, however it was important to keep everyone safe.

Again thank you to the members who were able to patrol in the lockdown stages of the pandemic. I know first hand that some days were not very nice, with the public, and you put yourselves out there – so thank you. There was even a boat rollover rescue, where first aid was rendered at our club, and plain clothes police visited to speak to the occupants.

Going forward, there will be some changes, and we have purchased some PPE (sanitising stations, sanitiser, masks, thermal thermometers). Protocols will issue to members prior to the start of the season, as this is a changing situation.

Many thanks to a special training team, led by Jim McClelland for initiating, delivering and assessing a range of patrol courses this season. Most courses were split up into blocks to enable maximum attendance. I hope you all have learnt something this season, and you will apply your new found knowledge on patrols.

In closing, I would like to again thank each and every member for their dedication to our club.

Keep safe.

Lynda Barry
Club Captain

GREY MEDALLION COURSE

Seventy seniors completed the Grey Medallion run by the Club in two events held in July and August 2019. Once again, the Club was able to offer the course free to the local community thanks to our sponsors Accountants United and BreakFree Resorts and part-funding by the Council of the Ageing, as part of Seniors Week. The first Grey Medallion run by the Club ten years ago had eight participants. Since then, it has grown in such popularity among the locals that now two events need to be held to meet the demand. 2019 was the third year the Club provided two free courses in a year. Club members gave very generously of their out of season time to assist in running both of the events, as facilitators for a range of sessions and life guards.

Thank you to all those members who worked so hard to make this event so successful.

PATROLLING

Patrols are conducted on all weekends and public holidays during the summer season and are overseen by:

- * Club officials (Regular unannounced inspections carried out);
- * The Royal Life Saving Society (members of the Combined Clubs Committee); and
- * Surf Life Saving (SLSA Duty Officers visit the Club regularly and provide guidance and advice).

The Club holds a Patrol Service Agreement with Sunshine Coast Regional Council, wherein the Club agrees to patrol the beach from September School Holidays through to the beginning of May, during designated hours. Council Beach Life Guards (subcontracted to Surf Life Saving Queensland, since October 2012) utilise the Club facilities and equipment for weekday beach patrols. The aforementioned groups ensure the quality of patrols is maintained to the highest standard. Every patrol has an allocated Patrol Captain who must be qualified for control of all of the patrol functions (i.e.: IRB, Radio, First Aid, etc)

Every patrol member must wear the Club patrol uniform, which consists of red shorts, yellow shirt (indicating 'Beach Patrol') and a quartered red and yellow skull cap, whilst on patrol.

Incidents for the season were as follows:

	2019-20	2018-19	2017-18	2016-17	2015-16
First Aid	76	146	96	136	133
Rescues	2	5	12	10	16
IRB - Rescues	24	55	52	80	41
Lost Children	6	4	2	1	2
Preventative Actions	402	1975	2010	1153	1364
Local Laws Advice	65	133	157	281	296

All First aid cases are continued to be treated in the first aid room, unless the patient is located away from the Clubhouse, in which case they are treated at the scene.

Local Laws advisory – the Club records incidents where advice is given to the public in respect to local law matters including:

- * Dogs within the bathing reserve;
- * Fishing within the bathing reserve;
- * Smoking between the flags; and
- * Boats/Jet Skis in the bathing reserve.

JUNIOR LIFEGUARD PROGRAM

The Club commenced its Junior Life Guard Program (similar to Nippers) in 2002 and continued it again this season. The Program is a fun environment where games and competitions are used to teach the children:-

- Water Safety;
- Basic Rescue Techniques;
- Safe Swimming Habits;
- Basic Resuscitation; and
- Team work & responsibility.

The program is conducted by members of the Club and all sessions (and children) are logged and tracked. Children progress through an introductory period of basic water safety; and will then progress through the 'Swim & Survive' (Love 2 Swim) series of awards. This progression would be expected to take between 1 and 4 years depending of the child's age and abilities. After the Swim & Survive awards, Junior Lifeguards are named as Cadet Lifeguards, and they aim for the 'Bronze Star' award, which is a rescue award just below the Bronze Medallion. The target age for Bronze Star is 12 years old, and once Junior Lifeguards obtain their Bronze Star, they can assist with beach patrol duties. As the program develops, new strands have been added, to cater for the changing demographics of membership. In the 2007/08 season a Rookie Strand was added to the program, which includes members from 13/14 to 16 years.

Strands:

Junior Aged 6 to 11 years old. Swim and Survive Series.

Cadet Aged 11 to 12 years old. Bronze Star Award.

Rookie Aged 13/14 to 16 years old. They are encouraged to complete the Bronze Medallion in the year they turn 14. Once members complete their Bronze Medallion they are able to assist beach patrols as a qualified member.

The Junior Lifeguard Program conducts two training sessions each week:-

- Sunday morning at 8.00am (2 x 1 hour session) on Bulcock Beach

TREASURER'S REPORT

The Clubs financial position has remained strong and with revenue (income) remaining consistent and expenses well controlled. As members will be aware, the Club has spent money on a commercial coffee machine, security cameras and air conditioning our training room and recreation area. This will allow activities to be conducted in these rooms in comfort, particularly in the hotter summer months of December, January and February. Income from areas such as collections, donations and grants has been strong, together amounting to approximately \$24,000.

Expenses have been very well controlled over the year which has resulted in the club having a cash surplus. The Club contributed another \$20,000 to its foundation funds which is held and managed by Life Saving Support Services Inc (LSSS). LSSS has approximately \$245,000 funds held in the foundation funds, which allows for long term financial support of the club, should it ever be needed.

Individuals and organisations that supported/donated to us during the season are:

- Queensland Government, Queensland Fire & Emergency Services
- The President's Club
- Whitehouse Foundation
- Accountants United
- BreakFree Grand Pacific
- Queensland Government, Department of Sport & Recreation
- Caloundra Jet Ski Hire
- Lions Club of Caloundra
- Country Women's Association
- Ms B Winn
- Gardiner
- Unity College

I would like to thank the members for their ongoing hard work in organising beach collections, and in particular those that sat at the markets on Friday evenings.
