CLUB CAPTAIN'S REPORT

The 2025/2026 patrol season has been another successful year for the volunteer members of Ithaca-Caloundra City Life Saving Club Inc. Despite continuing challenges with volunteer availability and the ever-changing conditions of the Caloundra Bar following the Bribie Island breakthrough, our members remained committed to providing a safe swimming environment for the local community.

Throughout the season our patrol members completed **46 beach patrol days**, contributing an outstanding **2,065 volunteer hours / 477 half day patrols** to protect the public at Bulcock Beach. Patrols covered **375.6 operational hours**, with an average of **8.2 qualified members** on each patrol.

Our patrols directly supervised more than **77,700 beach users**, including:

- **49,740** people on the beach;
- **26,659** people in the water; and
- **1,364** boats and watercraft operating within our patrol area.

During the season our members responded professionally to numerous incidents, including:

- **6 rescues**
- **118 preventative actions**
- **28 first aid incidents**
- **3 lost person incidents**
- **62 local law matters** managed by patrol members.

These figures demonstrate that while rescues are an important measure of our work, the greatest contribution made by our members continues to be preventing incidents before they occur through proactive supervision, public education and early intervention.

Training also remained a significant focus, with members completing **106 nationally recognised qualifications**, ensuring the club continues to maintain highly skilled patrol teams capable of responding to emergencies across our community.

We currently have 31 active patrolling members, including some new members and renewals from previous years.

One of the highlights of the season was the recognition of the dedication and long service of our members.

PATROLLING

Patrols are conducted on all weekends and public holidays during the summer season and are overseen by:

- * Club officials (Regular unannounced inspections carried out);
- * The Royal Life Saving Society (members of the Combined Clubs Committee); and
- * Surf Life Saving (SLSA Duty Officers visit the Club regularly and provide guidance and advice).

The Club holds a Patrol Service Agreement with Sunshine Coast Regional Council, wherein the Club agrees to patrol the beach from September School Holidays through to the beginning of May, during designated hours. Council Beach Life Guards (subcontracted to Surf Life Saving Queensland, since October 2012) utilise the Club facilities and equipment for weekday beach patrols. The aforementioned groups ensure the quality of patrols is maintained to the highest standard. Every patrol has an allocated Patrol Captain who must be qualified for control of all of the patrol functions (i.e.: IRB, Radio, First Aid, etc)

Every patrol member must wear the Club patrol uniform, which consists of red shorts, yellow shirt (indicating 'Beach Patrol') and a quartered red and yellow skull cap, whilst on patrol.

Incidents for the season were as follows:

	2025-26	2024-25	2023-24	2022-23	2021-22
First Aid	28	33	51	182	89
Rescues	6	11	2	32	52
Lost Persons	3	4	1	8	1
Preventative Actions	118	30	140	3893	1414
Local Laws Advice	62	40	51	78	99

All First aid cases are continued to be treated in the first aid room, unless the patient is located away from the Clubhouse, in which case they are treated at the scene.

Local Laws advisory – the Club records incidents where advice is given to the public in respect to local law matters including:

- * Dogs within the bathing reserve;
- * Fishing within the bathing reserve;
- * Smoking between the flags; and
- * Boats/Jet Skis in the bathing reserve.

SECRETARY'S REPORT

Twenty-seven people from across the Sunshine Coast attended the one-day Grey Medallion at Breakfree Grand Pacific in Caloundra in late August.

While the CPR and Defib sections proved to be the most popular, the water safety component was very highly appreciated. Many people commented that a free course enabled them to participate. The professionalism and help from the team especially in the practical sessions impressed everyone. It is a lot of work for all involved in running the course, but well worthwhile given the very positive feedback every year.

The course owes its popularity to Club members who contribute a welcome, knowledge and skills for the day to help our local community better understand water safety, drowning prevention and emergency response. Thank you to those who supported our local community for the day – and importantly helped to clear and tidy everything up at the end of the day.

Thank you to Royal Life Saving, the Club, Breakfree Grand Pacific and Accountants United for their continued support and sponsorship of this worthwhile course.
say apart from the fact that sausage roll consumption continues to be as good as ever!

Also, thank you to Jim McClelland and Imelda Potton for conducting a CPR & Defib awareness course (2.03.2026) for the Edgewater (Bli Bli) - Over 50s Lifestyle Community. Jim McClelland and Gary Smith conducted a CPR & Defir awareness course for the Outrigger Caloundra Canoe Club at the Clubhouse, late in the season.

TREASURER'S REPORT

It is my pleasure to present the Treasurer's Report for Ithaca – Caloundra City Life Saving Club Inc for the financial year ended 30 June 2026.

The Club has again maintained a strong and stable financial position, recording a net surplus of \$15,890 (before depreciation) for the year. Total income for the year was \$42,330, generated through patrol funding, donations, fundraising activities, membership subscriptions, sales, functions and interest earnings. This positive result reflects the ongoing commitment of our members and supporters, as well as prudent financial management throughout the year.

The Club's financial position remains healthy, with total assets of \$131,016, including cash reserves of \$46,174 held across several accounts. These funds provide an important foundation to support the Club's lifesaving operations, training activities, equipment maintenance and future development.

A significant proportion of the Club's expenditure was directed towards essential lifesaving operations, including patrol equipment, equipment maintenance, fuel, insurance, first aid supplies, training resources and clubhouse operating costs. These investments ensure that our members have access to safe and reliable equipment while continuing to provide valuable community services.

On behalf of the Club, I would like to sincerely thank the Queensland Government, through Queensland Police Service, for its ongoing support of our lifesaving activities. Their contribution plays a vital role in enabling the Club to continue delivering patrol and community safety services.

I would also like to acknowledge and thank our valued donors and supporters whose generosity has contributed significantly to the Club's success during the year. In particular, I wish to recognise:

- Morgans Stockbroking
- Pam Owens
- Lions Club of Caloundra
- Lions Club of Caloundra West

Their support, together with the efforts of our members, volunteers and broader community, enables the Club to continue its important work in promoting water safety and supporting lifesaving activities across the Sunshine Coast.

I thank the Club's members, committee and volunteers for their dedication throughout the year and commend the attached financial statements to the membership.

Paul Barry
Honorary Treasurer
